Happy holidays from our family to yours!

It's that special time of year again, when all over the world, people take time out to celebrate the birth of our Lord and Savior, Christ Jesus.

Here, in Belize, there are no shopping malls, Department stores, toy stores or Wal-Mart, and very little traffic so

things are much more laid back and quiet than it may be for most of you. We do pray that even during all the hectic, busy things that the holiday season brings.. that you and your family will find time to enjoy the peace of the Christmas holiday that only comes through Christ.

December Events

We do not usually have any Mission teams here during December so not much to report in the area of local ministry.

The big event for us this December was our daughter's wedding here in Belize. Our daughter, Stephanie and her fiancé, Eddie came for a 10 day visit and had their wedding on the beach in Placencia while they were here. Eddie's grandfather and sister were able to fly in from Puerto Rico and Stephanie's dad and step-mom were also here from Texas. Some local friends took part in the wedding as well. Darlene Williams and Sheryl Garbut served as bridesmaids. Harold Arthurs and Gregorio Cano served as groomsmen. Erica Estrada served as flower girl and Justin Estrada served as ring bearer. Our missionary friends, Jim and Anna

Mensie provided music and Jim and Lois Moore provided the wedding cake. John officiated the ceremony. It was a simple but beautiful wedding and we felt so blessed that God made it possible for them to be here with us for 10 days.

Looking into 2010

We are looking forward to a very busy year of ministry here in Southern Belize in 2010. Beginning in Mid-January, teams begin arriving to work in the area. We currently have 12 groups already on the calendar between January and August 2010. God continues to bless the ministries in Belize and to provide the resources to continue the work that He began here. We will be sending out regular Newsletters again in 2010 to keep everyone updated. May God Bless you all.

If your group has not yet booked your 2010 Mission trip, we would love to help you put together a trip to Southern Belize. There is a variety of different types of ministry in the area. The Rodney M. Gordon Christian Development Center is a rustic but comfortable place to lodge while working in the area. It's beautiful, quiet and we have some of the best local cooks around. We can also help arrange activities for your group if you have time for fun and relaxing. Come join what God is doing in Southern Belize.

Please continue to be in prayer for the leaders of the Southern Region and the local Baptist Association of Belize. It does seem that they are near a resolution regarding the property where the Rodney M. Gordon Christian Development Center is located. After the holiday season, we will send out a full update and begin fund raising efforts to pay off the balance of \$6000 US on the property.

MERRY CHRISTMAS!!
