

Summer(May - August)
2010

Summer 2010 has been busy for Ministry in Southern Belize.

We had a very busy and blessed Summer here in Southern Belize. Since the end of May, we have hosted 7 Mission teams. Three of the teams returned to Villages where they had worked previously to follow up and to continue the ministries that they were involved with in those areas. [Clearview Baptist](#) brought an OB/GYN doctor this year to do medical missions. They returned to Hopkins Village where they visited in each home during the day and then did VBS in the evenings. Gary Williams took a group back to Maya Mopan to help out with needed repairs at the Primary school and to do VBS in the Village. [Pastor Chris Bottoms](#) returned with his team to Silver Creek and Crique Trosso. They began work in Silver Creek back in 2004.

Two groups from Alabama helped us begin ministry out in many of the Farm Villages. The Student Ministry group and [Loveless Park Baptist](#) did door to door ministry in several farm villages. They brought Bibles and other items to share with the families as they visited and prayed with many families in need.

We also had the pleasure of working with two new groups. Chris Turner from Shawnee Prairie Missionary Baptist brought his band and others to minister in Medina Bank. Pastor Fran Trascritti from [First Baptist Church Mt. Healthy](#) in Ohio brought a group to do Sports camp, VBS and Worship services in San Juan Village.

Many churches and Villages were blessed over the past few months through the groups that came down to share the love of Christ through ministry and by sharing needed resources in the Villages.

New Board of Directors for The Southern Region Baptist Camp

The local Baptist Association Executive Board has appointed a Board of Directors to oversee the Baptist Camp. This Board will help plan and approve all the future development at the camp as well as oversee the general management of the property. As Caretakers of the property, we will work in cooperation with the Board to ensure that the Camp is managed properly and that Development continues. We will update all the Mission Teams on the construction projects that the Board of Directors decide should take priority. We feel that having a Board of Directors of local people is a move in the right direction for the Southern Region Baptist Camp and we look forward to working closely with them.

As you know, we serve at one of the local churches. We rarely do specific fund raising for our church but we now have a large building project planned for Silk Grass. Our home church, Riverside Baptist will come back in March 2011 and we hope to have them help us build a Sunday School building next to the church. We currently have our Sunday school and children's church in the same room with the adult worship service. We have 25 to 30 children (ages 3—10) in attendance. so it has become difficult to minister effectively. If we have a separate building then we would be able to offer so much more to our children and youth without being a distraction to the adults during Worship service. If you would like to help with this fund raiser, please contact us or [Bill and Pam Golden](#) at [Riverside Baptist Church](#).
